EXHIBITION & SPECIAL DAFFODIL LIST

SEASON 2008

A selection of some of the best Australian and overseas varieties. All have been tried and tested and we feel that you can use these with confidence.

The list has the variety name followed by a number denoting the time of flowering - 1 being the earliest and 6 the latest, the breeder and country of origin are shown in brackets following the brief description. The prices shown are per bulb. (Australian Dollars)

Should you need any more information on any variety please contact Ian (preferably after hours)

Happy gardening
Ian & Joy Dyson

***** NEWS UPDATE *****

Please note that we are the Australian agent for KOANGA DAFFODILS and BROGDEN DAFFODILS of New Zealand.

We already carry quite a number of recent and current releases and have the necessary quarantine facilities to import practically anything on Koanga's or Brogden's list. Please note that all bulbs imported have to go through a strict quarantine procedure which entails one season's growth in our quarantine facility, All bulbs imported would attract an additional fee of \$5.00 per bulb plus any postage involved for this service.

We must stress also that although all due expert care is taken in growing these bulbs we cannot guarantee the outcome and therefore will not accept responsibility should any losses occur.

TERMS AND CONDITIONS OF SALE

All bulbs are offered subject to the crop being satisfactory.
Substitution will only be made if requested when ordering, otherwise we will refund.
Each bulb is guaranteed to be healthy, true to name and of flowering size.
Orders must be in by **Mid January**. Dispatch will commence early March in strict order of receipt.
Place your order as soon as possible to avoid disappointment.
Please include payment with order. We will not cash your cheque or charge your credit card until just prior to sending your order.
Acknowledgement will only be sent if requested.
Please use order form provided if available

OVERSEAS ORDERS

Please note that all prices quoted are Australian Dollars.
There are a number of costs involved in sending bulbs overseas these include travel, inspection and phytosanitary certificate costs by quarantine inspectors. These costs are shared if there are other overseas orders. Airmail postage and insurance are charged at cost.
