

2012 SUPPLEMENTARY LIST
MITSCH DAFFODILS – PO BOX 218, HUBBARD, OR 97032
PHONE & FAX: 503-651-2742 www.MitschDaffodils.com

Thank you again for your fine interest; it is very much appreciated. The following list includes a number of items not listed in the 2012 catalog.

ORDER INSTRUCTIONS

1. Customer number is on the upper right hand corner of address label. Please write on order form.
2. Bulbs are subject to crop and some items are in **limited supply** –please advise if substitution is permissible, if it becomes necessary. We would appreciate if a few alternates could be given.
3. In many cases, pictures are available at www.daffseek.org
4. If a 2012 catalog order has been placed, it will be combined with this list, if order is received before August 25. If it is a first order for this year or a gift order, under \$35.00 to one location, add \$10.00 for shipping and handling. Orders sent after August 25, if under \$35.00, please add \$10.00 for shipping and handling, for it may require a separate shipping.
5. Please send payment with order.
6. It is difficult to develop a list of this type; however it is not a closed list.
7. We encourage orders by **August 25, 2012** to allow good service.

Thank you very much.

NEW for 2012

GARDEN WARBLER (Havens) 2YYW-W Late 17" (unknown parentage) LH69. A beautiful little reverse bicolor with appealing color. In our climate, the flower measures from 75 to 82 mm in diameter and most flowers fit into intermediate size. Rounded perianth of deep lemon with distinct white halo contrasts beautifully with the bright white cup-shaped corona. We assume that the parentage contains some jonquil lineage, as occasionally there is a 2 headed flower. Of fine show quality. **02-272** \$20.00 each.

MOLLY MALONE COOK (Bellinger) 9W-GOR Late (Felindre op.) Beautifully formed poet from Daniel Bellinger, this one has a very broad rounded perianth of greenish white. Yellow-orange corona is disc-shaped with yellow-green at the base and rimmed in orange-red. Sweetly scented. Has won ADS Awards including Best in Show. A good doer in the midwest as well as here in Oregon. A very few bulbs to go, but wanted to make it available this year. **09-553** \$30.00 each.

YELLOW DESERT BELLS (Havens) 7Y-Y Late 12" (Sport from Desert Bells) Not registered at this point. Occasionally, Desert Bells has thrown bright all yellow flowers and we have selected them out of the original stock and planted them separately. Several part white flowers have been rogued out of this selection, but most seem to retain the all yellow coloring for us. Desert Bells is about the size of Sun Dial, but is not an ADS approved miniature. A colorful little flower of interest. **07-257** \$12.00 each.

INDIVIDUAL LISTINGS

Not listed in the 2012 catalog

Please check www.DaffSeek.org for pictures

DISSERTATION (Havens) 7Y-Y L 17" ((Limequilla op.) x N. jonquilla)MH47/1. A unique style of jonquil, the perianth is very flat and star-shaped; small cup-shaped corona. Generally 3-4 florets per stem with a light fragrance. Exceptionally well placed on the stem. Winner of White ribbon, Grant & Amy Mitsch Award, and one bloom was awarded the Rose Ribbon and the Olive Lee Trophy at the Tacoma ADS Convention in 2007. Still in very short supply; would like to make it available again this year. **07-300** \$35.00 each.

ENLIGHTENMENT (Havens) 2Y-P LM 16" (American Dream x (Widgeon x Memento)) Introduced in 2008 and has now increased enough to offer a few bulbs. Very smooth flower of clean color. Intense lemon yellow broad perianth and long cylindrical corona of clean pure pink, slightly expanded at the border. Fine show flower. Limited supply. **02-275** \$25.00 each.

LITTLE YORK (Havens) 2Y-P LM 16" (Oregon Pioneer x American Dream) GH41/10A A unique intermediate, broad silken smooth perianth of lemon yellow, reflexes somewhat at maturity. The long funnel-shaped corona of deep pink is well frilled at the margin, but resists catching in the perianth. Limited supply. **02-254** \$30.00 each.

VOICES OF SPRING (Havens) 5W-W L 14" (Irresistible x N. t. traindrus) HH16/1. A very nice Division 5 with 6-7 florets per stem. Beautiful flower with a rather narrow build, well reflexed perianth with a short bell shaped corona. The mass of flowers makes for a show in the garden, along with exhibition quality, winning the W. A. Bender Ribbon at the 2007 National Show in Tacoma, WA. Limited supply. **05-228** \$30.00 each.

I8/2 7YYW-W L 16" (Hillstar x Pink Step) A well formed reverse bicolor jonquil with broad perianth of deep lemon yellow with a white halo. Cup shaped corona turns a buffish color and matures white. Usually 3 per stem. Of show quality, as well as an excellent flower for garden and may be useful for hybridizing. **07-203** \$10.00 each.

HHO5/1 7Y/W-Y L 12" (N. jonquilla op.) Another of the unusually colored jonquils, of the form and size of N. jonquilla, but with the coloring of Endearing. Interesting white edging on the perianth segments gives the flower a unique look which is very appealing to many people. **07-207** \$10.00 each.
