Plant List 1993 - 4

Beaurum tenuifolium
A.B.S. 2536
France, Morocco.

1

All plants listed are grown here on the nursery, the greater part from seed which ensures robust virus-free stocks.

For conservation purposes, where stocks are from a known original source, this is briefly given. Where stocks are from various sources these are also given with collectors initials and collection numbers so that they may be precisely identified from the collectors field notes.

This general list is without descriptions or cultural details as I expect enthusiasts to have some idea of the plant they wish to grow. Reference is recommended to:- 'The Bulb Book' by Rix & Phillips, 'Dwarf Bulbs' and 'Larger Bulbs' both by Brian Mathew or 'Bulbs' by Grey-Wilson & Mathew for descriptions and/or illustrations of most of the plants listed here. For Narcissus species 'Narcissus' by John Blanchard or 'Modern Miniature Daffodils' by James Wells are comprehensive and well illustrated. 'The Crocus' and 'The Iris' both by Brian Mathew are the current handbooks on these genera.

All plants listed are top size unless otherwise stated but flowering is not guaranteed as subsequent growing conditions are in the hands of the customer. If you are not satisfied with the goods as received, please return and I will replace or refund.

READ THIS.

Prices quoted are per bulb or as otherwise stated.

Payment to accompany all orders, in Stirling drawn on a UK bank, payable to
M. R. Salmon

Personal cheques will be accepted if an additional £3.50 is added for conversion charges.

In order to reduce costs and refunds customers may prefer to leave the cheque amount blank but to write across the top of it 'Not to exceed X number of pounds'. The X number of pounds being the maximum anticipated cost of the order. Please leave enough space for me to fill in the actual cost of the plants available in words and figures.

Postal Orders or International Money Orders will be accepted if substitutes are indicated, otherwise no substitutes will be used unless specifically asked for.
