Only the Narcissus pages are  
included here.

Seeds of Bulbous and Tuberous-rooted plants 1989 - 1990

All the seeds offered in this list have been harvested this year from plants growing here in the nursery or from plants in their native habitats. No descriptions are given as I expect those enthusiasts that are prepared to grow them for three or four years or more before seeing a flower will know what they have ordered or at least have some idea of their general appearance. Reference is recommended to:- 'The Bulb Book' by Rix & Phillips, 'Dwarf Bulbs' and 'Larger Bulbs' both by Brian Mathew, or 'Bulbs' by Grey-Wilson & Mathew for descriptions and/or illustrations of most of the plants listed here.

Pricing and Terms.

All species are prefixed by a letter and a number. Please order by number only. Those prefixed 'A' are 50p per packet.

'B' are 75p per packet

'C' are £1 per packet

'D' are £1.50 per packet

The difference in price is not an indication of quantity or rarity, either in the wild or in cultivation, but the ease with which good seed is obtained. The number of seeds in each packet is not stated but is in my opinion sufficient to sow a four inch pot to allow for two years growth before potting on.

Though good stocks of most of the species listed are available, inevitably some will be in greater demand than others and consequently will become exhausted before all orders are filled. It will be a considerable help if customers include a few alternatives on the order form, particularly if several 'C' or 'D' items are requested. This will minimise the work involved in refunds and thereby enable me to keep prices low. Alternately customers may prefer to endorse their cheques 'Not to exceed X number of pounds', X being the maximum anticipated cost of the order, but please leave space for me to fill in the correct amount.

Payment must accompany all orders.

Orders over £25 will be packed and posted free. Those under this amount, please add a further 75p to cover this expense.

Cheques and Postal Orders to be Made payable to M. R. Salmon

U.S. customers please add three dollars for conversion or personal cheque.
