Daffodils for 1982

Another move toward retirement was made last Fall in the sale of the bulk of our bulb stocks to Russell M. Graham, of Salem, Oregon, whom we believe is an enthusiastic and reliable grower. These will be offered by him in the near future. Our remaining miniatures were sold to a dear friend and neighbor, Mrs. Frank (Jeanie) Driver. These, too, will be listed for sale soon as stocks can be increased enough to offer. Those we have retained are mostly smaller lots of newer, and of course, more expensive cultivars. As always, we urge that orders be received here by mid-September.
