Awards - Mrs. Hubert Bourne, 1052 Shadyhill Drive, Columbus OH 43221

VICE PRESIDENT'S MESSAGE

Dear Friends,

Well, we really had a "daffy" spring, didn't we? This was the earliest daffodil season in my memory; it certainly had an effect on our shows as well as on the National Convention.

For you who did not go to King of Prussia, I can tell you that all of the daffodils--and there were many--at Winterthur were through blooming. But we saw great quantities of azaleas, dogwood and rhododendron, all of which were early, as was everything else. In spite of the problems, the national show was a good one. There were many blooms from Connecticut as well as the local area. It was a well-attended convention which was lots of fun. An auction with Bill Pannill as auctioneer was very amusing. Longwood Gardens and Winterthur are both very beautiful and well worth seeing. If you have not visited them, I urge you to try to see them both.

As could be expected, some of our Midwest Region shows were down in number of entries. The NODS show in Akron and the Western Reserve show in Cleveland both had to be cancelled. The late shows were the hardest hit. However, there was one bright spot--the first Northern Indiana Show, held in South Bend on May 7. The mall in which it was held had excellent facilities, and we look forward to a bigger show there next year.

Now it is time to dig and divide bulbs. If you store the bulbs until fall, be sure to keep them in a dry place. I hang mine in mesh bags hung from a beam in the garage so that air can circulate around them. It's a good idea to check on them occasionally.

Make plans now to attend our Fall Regional Meeting on Oct. 5 in Richmond, IN

Happy digging!

Phyllis Vonnegut
Future dates to put on your calendar:

October 5, 1985 - Fall Regional Meeting--Richmond, Indiana, St. John's Church (same place as last two years)
April 11, 1986 - Scottsburg Daffodil Show (Indiana Daffodil Growers South)
April 19, 1986 - Adena Society Show, Chillicothe, Ohio
April 12, 1986 - MIDWEST REGIONAL SHOW, Indianapolis, Indiana
April 26 & 27, 1986 - CODS Show, Columbus, Ohio

IN MEMORIAM

Mary Elizabeth Blue

ATTENTION SOCIETY PRESIDENTS!!

Awards Chairman Tag Bourne has done some research regarding rules governing the awarding of the Helen K. Link Artistic Design Trophy at Midwest Region shows. PLEASE KEEP THIS INFORMATION WITH YOUR SHOW RECORDS so that the rules will be available to you when it is your turn to have the regional show:

Traveling Trophy: A silver tray to be awarded to the exhibitor of the Artistic Design judged best from a group of at least five design classes in a Midwest Regional Daffodil Show. The trophy may be held by the winner for one year, but may not be awarded to the same exhibitor two years in succession. At the end of the year the winner shall return the trophy to its custodian, the Midwest Regional Vice President.

1. The winner must be a member of the American Daffodil Society; otherwise, the trophy shall not be awarded.
2. The Artistic Design Division must be judged by accredited judges.
3. The design must contain some daffodils.
4. The Midwest Regional group sponsoring the show shall be responsible for engraving the winner's name, place and year on the tray.

Mrs. Trueblood comments, "The miniatures always create the most interest at this show. The substance of OCEAN BREEZE was outstanding because so much damage was caused by tornado winds and 7" of rain in the 24 hours just before the show. Quality was down. INDIAN MAID was the brightest flower. Split cups created much attention, especially PHANTOM and HILLBILLY'S SISTER."

Not offered: Bronze Ribbon

Mr. Applegate says that interest was shown in the great number of blooms per stem of TAZETTA COMPRESSUS, in most minis--most people have never seen minis before--and the great size of AMOR. He also said that, although other societies had to cancel shows because of the early season, this one was held because the Kingwood Center spring show of other flowers is held in the same place at the same time. He, as do we all, hopes for a "normal" season next year!

Not offered: Junior Award, Green Ribbon, Roberta C. Watrous Award, Carey E. Quinn Award, Rose Ribbon, Miniature Rose Ribbon, Throckmorton Ribbon, Bronze Ribbon

Not given: Maroon ribbon

SPINDLETOP (3W-Y) was the runner-up for Gold and White Ribbons and was the bloom which created most interest at the show.

Congratulations to all of the above winners, especially those at the first-time-ever Northern Indiana Daffodil Show! Congratulations, too, to all of you who were able to attend the shows and learn about new (and old) cultivars, species, and what it takes to be a show-winning specimen--we wish you all blue ribbons in 1986, when, hopefully, the season will be not too early, not too late, not too cold, not too hot, not too dry, not too windy--in other words, that long-sought-for normal season!--Ed.

Lack of space prevents listing new members since the last NARCISSUS NOTES--we'll include them in the September issue.
