## New Introductions 1997

Anderida	1 W-W	(Broomhill X White Star)	Mid season
	A large, very consistent pure white flower of exemplary show form, having a superb perianth that is broadly ovate and well overlapping. The corona is cylindrical with a slight flare at the mouth that is minutely notched. The blooms are carried on strong tall stems with short necks and with good poise. Shown in Engleheart Cup 1994 and 12 seedling class R.H.S. Late Competition 1996.		
	Seedling No 4.21.80	Only 2 or 3 to go	Price £30.00
Hever	4 Y-Y	(Golden Aura X Tonga)	Mid season
	A very round and full double. Both perianth and petaloid segments in more than three whorls, regularly arranged opposite one another, decreasing slightly in size towards the centre. The whole flower is a good deep yellow slightly darker in the centre. The strong stem and short neck carry the flower in perfect exhibition pose. While not as large as some modern "doubles", the blooms are over 90mm in diameter making it an excellent flower for collection classes where uniformity of size is important.		
	Seedling No 1.19.82	Only 3 or 4 to go	Price £25.00
Riseden	3 Y-Y	(Verwood X Badbury Rings)	Mid season
	A large flower with a broadly ovate perianth of good clear yellow that does not fade. The widely expanded corona is of a darker shade of yellow, and is finely frilled at the mouth. Blooms are over 100mm in diameter and held with good poise on a tall strong stem. Vigorous plant with good increase that will be valuable for breeding. Winner of its class R.H.S. Late Competition 1996.		
	Seedling No 4.11.83	Only 2 or 3 to go	Price £35.00

## General List

### Division 1

Cuckmere	1 W-W	(Panache X White Star)	Late Season
	Large pure white flower with broad ace of spades perianth and long slender trumpet ending in a neat flange which is evenly serrated. Very consistent in producing show quality blooms. In winning 12 Seedlings R.H.S. Competition 1990 and in Engleheart Cup 1993.		
	Seedling No 2.19.80	Only 2 or 3 to go	Price £25.00
Danehill	1 Y-Y	(Celtic Gold X Arctic Gold)	Mid Season
	Broad rounded perianth of thick, waxy texture. Straight sided corona which is neatly flanged and serrated. The blooms are well poised on a strong tall stem. Consistent and "nick" free. Shown in Engleheart cup 1986, 1991 & 1992 and winning 6 seedlings class R.H.S. Show 1996.		
	Seedling No 1.10.80	Withdrawn for increase	
Hadlow Down	1 Y-Y	(Camelot X Ballyrobert)	Late Season
	A beautifully proportioned deep yellow trumpet which flowers with the late red and whites and will be invaluable for exhibitors looking for a yellow trumpet to complete an exhibit in the late season. This flower has inherited the vigour and strength of Camelot together with the elegance of Ballyrobert. Shown in my winning 12 Seedlings R.H.S. Competition 1990 and in Richard Smales' Winning Bowles Cup 1993.		
	Seedling No 2.1.79	Price £25.00	
Sharnden	1 Y-Y	(Camelot X Golden Aura)	Late Season
	Late flowering deep golden trumpet, which I have grown for some years but hesitated to name as in its early years was rather small. However, during the past five years it has consistently produced large magnificent blooms. Shown in my winning "Richardson" group 1988 and a Single Bloom winner R.H.S. Late Competition 1992 and R.H.S. Show 1993 when it was Best Bloom Division 1		
	Seedling No 2.1.73	Price £12.50	

### Division 2

Saxonbury	2 Y-Y	(Viking X Gold Convention)	Mid Season
	A superb large round flower of elegant proportion, nearly 120mm across and extremely consistent. It is not exaggerating to say that I have rarely had a less than perfect flower since it first bloomed and it does look like a genuine large cup. It was certainly the subject of much favourable comment when shown in my Engleheart Cup 1995. In winning 6 seedlings R.H.S. Show 1996.		
	Seedling No 1.5.83	Only 2 or 3 to go	Price £35.00
Finchcocks	2 Y-R	(Vulcan X Loch Lundie)	Early Mid Season
	Probably the deepest coloured flower in this sub-division. The almost sunproof, fiery red corona is enhanced by the rich gold perianth, over 95mm in diameter. Very consistent and long lasting. Shown in many winning groups as a seedling. In Engleheart Cup 1988, 1991 and 1994. In winning 12 Seedlings R.H.S. Competition 1990		
	Seedling No 2.4.78	Only 2 or 3 to go	Price £10.00

	Broad, overlapping, ovate perianth of vivid yellow over 90mm in diameter. Sunproof, orange, funnel shaped corona. Long lasting with nearly every bloom free from blemishes. Shown in winning Richardson Trophy 1988 and in Engleheart Cup 1991 and 1992 also 12 seedlings R.H.S. Late Competition 1996.		
	Seedling No 1.9.80	Price £10.00	
Henfield	2 Y-GOO	(Achduart X Loch Stac)	Mid Season
	Deep yellow, slightly rounded perianth of thick silken texture. Saucer shaped corona, evenly flanged and serrated. Deep green in the eye zone merging to fiery orange, making this a very distinctive flower on a tall, strong stem with perfect poise. Single bloom winner R.H.S. Show 1989.		
	Seedling No 1.17.80	Price £10.00	
Motts Mill	2 Y-O	(Border Chief X Front Royal)	Early Mid Season
	Broadly ovate perianth of deepest gold surrounds a cup shaped corona, pale orange at the base turning to deep orange at the flanged and lobed rim. Quite unlike any other flower in this sub-division. Almost every bloom a "show flower" and a grand flower in collections. In winning Richardson Trophy 1988.		
	Seedling No 1.9.75	Withdrawn for increase	
Warbleton	2 Y-YYO	(Vulcan X Loch Lundie)	Early Mid Season
	Large overlapping bluntly pointed perianth of deep gold, which makes an excellent foil for the cylindrical corona, yellow at the base turning to bright orange. Somewhat reminiscent of the old Richardson flower "Air Marshall" but brighter in colour and much more consistent. Sister to Finchcocks.		
	Seedling No 1.4.78	Price £2.50	
Wealden Fire	2 Y-O	(Buncleody X Drumurie)	Mid Season
	A large broadly ovate perianth of vivid yellow which has a most attractive suffusion of orange, completed by cup shaped corona of deep orange red. Not a single bloom flower but very useful for adding something different to a collection class.		
	Seedling No 2.3.79	Price £10.00	
Fairlight Glen	2 W-YYO	(Homage X Irish Minstrel)	Early Mid Season
	The sparkling white perianth highlights the clear yellow disc shaped corona, enhanced by a hint of green in the throat and underlined by the fine band of orange at the rim. Shown in Engleheart Cup 1991, 1994 and winner of its class at the R.H.S. Show 1996. Sister to Lydwells & Southease.		
	Seedling No 8.2.75	Price £10.00

## Terms and Conditions of sale

## Bulbs

All bulbs are offered subject to the crop being satisfactory.

### Acknowledgement of orders.

Because of the high cost of postage and other costs, orders will not be acknowledged unless requested.

## Orders

As the stocks are very small and in some cases only two or three, all orders will be accepted in the order in which they are received, subject to the crop being unsold. Orders should be sent as early as possible, and not later than the 1st of June. Postage and packing must be added to the cost of the bulbs ordered.

## Payment

Owing to the high cost of rendering accounts, orders are only accepted on a cash with order basis including postage.

No orders will be dispatched until money is received.

Payment by overseas customers can be made either

1. By International Money Order in Sterling at the prices shown in the catalogue or
  2. By cheque in their own currency calculated at the exchange rate at the time of ordering.

Should the exchange rate alter after placing your order, and so be to your disadvantage, I will compensate with additional bulbs.

Please make cheques or orders payable to N.A. Burr

## Dispatch

All bulbs travel at the customer's risk and expense. All overseas orders will be sent Airmail unless otherwise instructed.

#### **Inspection of bulbs for dispatch overseas (Except EEC)**

Due to the high cost of inspection to comply with other countries' health regulations, I regret that a surcharge of £1.00 Sterling per bulb will be charged on all overseas orders. I feel this is much fairer than increasing the price per bulb.
