Dear Sally:

Here is a print of you and
Louise with all your hardware
won at the Memphis show.
Too bad the Towlds medal did
not show up better, but you
know what it is.

Our daffodil season is
slowly drawing to a close. Had
some real good ones for our
Cleveland show on April 29
and better ones since, of course.
Have taken lots of slides
over

March 30, 1900

and will send them
to you when I get organized.
Mary sends her best
Cheers
Daff
