Case #18 5,248 *L. Auratum* platyphyllum disease-free
Wild stock bulbs.

Case 19/20 1,050 *L. Auratum* - Hardy form Wada disease-free
Wild stock bulbs

21/22/ 1,050 *L. Auratum* praecox - Wada disease free
Wild stock bulbs.

23/32 4,000 *L. Auratum* type disease free - Wild stock bulbs

33/34 1,250 *L. Auratum* type disease free - Wild stock

note:

Wild stock bulbs of *L. Auratum* praecox are found to contain more or less, bulbs of *L. Auratum* type because all the growing areas of *L. Auratum* praecox have been invaded by *L. Auratum* type & there are no isolated growing areas for *L. Auratum* praecox only at the present. But my experience, survey & knowledge this mixing percentage can be considerably improved. I feel sure the 1,050 *L. Auratum* praecox came 80% - 95% true. The

1250 *L. Auratum* type - packed in
 KW 33/34 were collected only in
 the name of *L. Auratum praeceax* and
 will turn to *L. Auratum praeceax* up to
 a considerable percentage but are offered
 at the same price as *L. Auratum* type.

Wada

- 8 1 ounce pkts *L. Auratum praeceax*
 1 ounce *Lilium* species new. - near to *Callisum*
 8 1 ounce pkts *L. Auratum praeceax*.
