of good texture, Neatly frilled crown, distinctly edged red \$2.
- 6Y-Y BACKCHAT 3. Overlapping pointed perianth that reflexes well.  
Medium lemon colour, tall and strong and a good show flower \$10.
- 2W-YYO BANDIT(Brogden)4. Round white perianth of good texture. Saucer  
shaped crown, with a 5mm band of orange, Very striking. \$10.
- 2Y-R BROADFIELD 3. Bright golden perianth with pointed segments, crenate  
cup of fiery red. not a show flower but a good breeder. \$7.
- 2Y-OOR CAREER 3(BROGDEN) Large smooth perianth of lemon, with saucer  
crown, well frilled and good texture, winner of many prizes \$8.
- 3W-GYR CAVE(O'More) 3. Clean white perianth, cup banded bright red. \$3.
- 2W-Y CERES(O'More)3. Broad round segments, conical crown of lemon,  
very good form and consistent show flower \$10.
- 1Y-Y CERTIFY2-3. Broad double triangled perianth smooth and pleasing shade  
of lemon, good stem and broad strong foliage \$7.
- 1W-Y BAR NONE 3. Clean white perianth of good substance overlapping and  
smooth, flared lemon trumpet of good contrast. Award winner. \$8.
- 1W-Y BRUCE 3. Large flower of excellent substance and good form, with  
well contrasted slightly rolled trumpet. Premier Award winner \$7.
- 2Y-P CHINO 3. Pale lemon perianth and neatly rolled crown of pink,  
paling to the base. A tall strong flower and a good breeder. \$5.
- 1Y-P CHITOSE 3. Pale lemon pointed perianth. Trumpet opens lemon and  
soon develops pink colouring, Very striking. \$10.
- 2W-YYR COUNSEL 3. A narrow band of red around the large flat yellow crown  
make this quite distinct. Broad pointed, white perianth. \$4.
- 2W-P DEAR ME(Piper)3. A well formed flower with clean white perianth  
and a most beautiful deep pink crown with a darker center. \$20.
- 2W-P DECREE 3-4. Thick white perianth segments, well formed crown with  
a neat roll. Solid bright pink. \$18.
- 2Y-Y DEMAND 2-3. One of the best in this class and earlier than most.  
Smooth well formed flower of bright yellow. Award winner \$10.
- 3Y-R DIMITY(Jackson) 3. Very neat flower of medium size and good texture  
Has won many prizes \$8.
- 2W-P DIVINE 3. Almost a trumpet. Bright pink to the base. Opens pink and  
intensifies. Shown in winning pink collection Columbus 78. \$60.
- 2Y-R DYAK 3. Perianth segments tinted orange. Cup small and brightest red.  
a good breeder and striking flower. \$10.
- 1W-P EIKO 3. PROBABLY THE BEST PINK TRUMPET AVAILABLE. Clean white  
perianth of good substance slender bright pink trumpet \$80.
- 2W-W ELLANNE(Verry) 3. Very white and smooth, one of the best whites. \$8.
- 2Y-R EZRA 3. A very neat highly coloured flower. Broad smooth golden  
perianth, solid red cup. Brighter than Falstaff. \$15.
- 2W-Y FLASH AFFAIR(Glover)3. One of the smoothest and best quality flowers  
in this section, sure award winner. National Premier. \$12.
- 2W-W FRUITION 2-3. Large and early for this class. Broad white perianth,  
well proportioned rolled crown, tall stem and good doer. \$9.
- 4W-WWR GLOWING RED (Hazelwood) The earliest red and white double, and one  
that is breeding well but not up to championship class. \$4
- 2W-GWW GREEN VALLEY(Bisdee)3. Rather straight  $\frac{3}{4}$  length crown of very  
neat appearance, and medium sized perianth. \$4.
- 2Y-R GUNSYND (Jackson) Broad golden segments, straight red crown, \$4.
- 2Y-Y HANEDA 3. Very large overlapping perianth, smooth and well formed.  
Like an improved Galway. One of our best. \$10.

- 1Y-Y HEATHER JOY(2-) Clear lemon shade in the whole flower, highest quality and very broad perianth for a trumpet. \$10.
- 8Y-GYO HIGHFIELD BEAUTY(mott) Tall strong tazetta, larger than most, soft lemon perianth, large cup with pencil line of bright orange. \$5.
- 2Y-R HIROMI. 3-4. One of our brightest and best yellow/reds. Well coloured perianth, smooth and thick texture, red, crenate saucer crown. \$20.
- 2YW-YP HUGH DIDIT 3. Very round, soft lemon perianth. Neatly rolled crown of pink fading to cream at the base. One of the best. \$30.
- 2W-YRW IDA MAY(Glover) 3-4. Tall stem, unusual colouring and very striking. A first class show flower. \$12.
- 6Y-Y JINGLE 3. Opens a pleasing soft lemon, slightly drooping, but the bell shaped crown eventually fades slightly. \$5.
- 2W-P JUDEA(O'More) 4. Large smooth Ace of Spades segments. Vase shaped crown of soft pink. \$5.
- 4W-WWO KAWAU(Richardson) Tall strong stem, milk white perianth segments interspersed with bright orange. A very formal double. \$10.
- 3W-R KAZUKO (O'More) Tall and vigorous. Large, smooth white perianth, neat cup of brightest red. Award winner. \$10.
- 2W-yyo KIRI 4. Round white perianth, saucer shaped crown of same colour neatly edged orange. \$4.
- 2W-YYO LIGHT UP(Glover) Vary striking flower with broad red margin to the saucer shaped crown. Quite attractive. \$6.
- 2W-P LIPSTICK PINK(Glover) 4. Conical crown of brightest pink, well formed white perianth, one of the best pinks. \$12.
- 1Y-Y. LORDSHIP(Verry) Pointed double triangle perianth of lemon, bold trumpet slightly flared and scalloped. Award winner. \$8.
- 3W-yyr. LYNX 4. Good white perianth, neat cup broadly banded red. \$4.
- 1W-Y MAREEA(Verry) Pointed white perianth, well contrasted, rolled trumpet that opens lemon and develops to cheesy buff. \$10.
- 2W-Y MODULUX 4. Similar to Ceres but taller and more substance with slightly pointed perianth. A.M. Hamilton N.Z. 1976. \$20.
- 3W-yyo MUFFET 4. Like an improved Corofin but larger and fragrant. \$3.
- 2W-P NORIKO 3. The long rolled crown opens buff and develops to a very pretty pink. Slightly hooded segments of pure white. \$10.
- 1Y-Y ORATIA(Verry) Lovely deep golden trumpet of smoothest texture, pointed golden perianth, a fine flower. \$5.
- 7Y-R PUKAWA (O'More) Up to 3 well formed florets of bright yellow and neat bright red cups. One of the best of the red jonquills. \$10.
- 2Y-yyr QUINELLA 3. Smooth lemon perianth, crenate cup edged bright red. \$10.
- 6Y-O QUAIN. 3. Shorter in the crown and broader in the perianth than Jetfire, good increaser and good show flower. \$15.
- 20-R RED HOT (O'More) Medium size, round perianth evenly shaded orange. Neat red cup, very useful breeding material \$10.
- 2W-P SEDATE 3. Well formed crown of bright pink neatly rolled Broad smooth white perianth. Opens pink, one of the best. \$20.
- 20-R STYLIAH 3. Rounded segments well shaded orange, neat red cup, tall and vigorous, our best orange perianth so far. \$30.
- 3W-R TENSION. 3. Ace of Spades segments. Bright red cup tall and vigorous \$5.
- 6W-Y TINKERBELL(Verry) Larger and smoother than Dove Wings \$5.
- 6W-W TRACEY 3(VERY) Pendulous white flowers, reflexing well, neat trumpet Not too large and very dainty, one of the best. \$5.
- 6W-Y TRENA(Verry) 3. Neatly rolled lemon trumpet. Pure white pointed perianth that reflexes diantily, excellent flower. \$8 (above 3. \$15)
- 1W-W UNGAVA(Simpson) 4. Long pure white trumpet, slender and slightly flared. Good quality and very attractive. \$6.
- 3Y-R TRELAY 3. One of the best yellow small cups large and vigorous. \$6.
- 1Y-Y VALLEY GOLD(Cotter) 3. Majestic deep golden trumpet well flared and scalloped. smooth pointed perianth, very good quality \$10.
- 2W-P VISION 3. The almost trumpet length crown opens bright pink. White perianth of good form and quality Winner of Awards. \$15.

All the above cultivars have been regularly shown in our show exhibits and can be purchased with confidence. Many other cultivars also offered.
