Bulb Nursery : Rangiatea Road

QUALITY DAFFODILS

Price List - 1964-65

SPECIAL NOTE . . .

Customers are asked to order bulbs not later than the end of January, as too frequently orders are received after planting has begun and even after its completion.

A special discount of 20 per cent will be granted to customers who become members of the National Daffodil Society this season. The subscription is 10/6 per annum and is a good investment for all daffodil enthusiasts. Write to the Secretary, Box 295, Palmers-ton North.

Bulbs are dispatched in February and an endeavour is made to supply top quality bulbs that will stand up to any competition. Bulbs should be examined and planted as soon as possible after arrival.

A descriptive catalogue is not issued as it is preferable to purchase bulbs with which one is acquainted, rather than on flowery descriptions. However, a description of any variety will be supplied on request.

PLEASE PRINT YOUR NAME CLEARLY

Prices are quoted strictly net, postage, etc., extra.

All bulbs offered subject to the ruling conditions of the Trade.

Exhibition collections supplied to order.

Mixed varieties of daffodils £2/10/- per 100.

Posted 4/6 extra.

Several new listings are included this season and your attention is directed to several seedlings of Mr J. T. Gray. Among these 'Hot Stuff', 'Spook' and 'Daze' have all been regularly shown at National Shows under number and can be fully recommended while the 2b 'Pomp', a seedling of Mr J. Radcliff, is an early and very useful 'pink'. Others, of my own raising are 'Find', premier 1b at Gisborne and 'Lynx', a very well-formed 3b.
