Giant Trumpets

These Giant Trumpets are a symphony of color, grace and symmetry. They are best known, most popular of Daffodil types, with trumpets longer than perianth petals.

KING ALFRED

America's most loved Daffodil. Golden yellow, of elegant form, tall and vigorous with a 4 in. perianth, it will reign supremely in your garden for years to come. It's excellent for forcing, too.

8450—3 for \$1.15; 5 for \$1.85; 10 for \$3.50; 25 for \$7.70; 50 for \$14.00

MOUNT HOOD

A magnificent pure white Daffodil. It is strong in stem and the flower has fine substance. The trumpet is well proportioned, cream on opening, quickly changing to purest white.

8478—3 for \$1.40; 5 for \$2.25; 10 for \$4.25; 25 for \$9.35; 50 for \$17.00

TROUSSEAU

An exquisite flower fit for a bride and as lovely as her cherished trousseau. Beautiful ivory white perianth is 4 in. across, its strong nicely textured petals widely overlapping to form a pretty background for the cream-yellow cup which is 1½ in. long and 1 in. across at its reflexed scalloped edge. A heavy 16 in. stem holds the flower erect. Delicate beauty disguises its exceptional durability.

8525—3 for \$2.10; 5 for \$3.30; 10 for \$6.25

GARDEN QUEEN

Extremely large, 5 in. flowers, but in such perfect proportions that it is also one of the most graceful. The well rounded perianth is of lovely yellow. Trumpet is deeper buttercup yellow and seems extra long, but is actually 2 in. with beautifully flared mouth. Heavy-textured, long-lasting, extra early with exceptional color, grace, size and bearing. As pretty cut as wafting in the breeze.

8414—3 for \$1.75; 5 for \$2.80; 10 for \$5.25

SPELLBINDER

This grand reverse bicolor truly brings forth the ooh's and aah's. The 4½ in. starry perianth is of light lemon primrose with greenish cast and hint of white. The graceful trumpet is of slightly deeper lemon yellow with interior of ivory white. A spectacular Daffodil.

8510—3 for \$1.80; 5 for \$2.90; 10 for \$5.50

UNSURPASSABLE

Extremely large flowers, carried on strong stems, are bright clear yellow throughout. The expanded trumpet, framed by the perianth of great substance, is beautifully flared at the mouth and its beauty is truly magnificent. You'll agree it's unsurpassable!
