

Judging School Number 1 . . .

American Daffodil Society

*Mrs. William A. Bridges, Chairman of
Committee on Judging Schools, in charge.*

This judging school is the first in a proposed series of three to be held in this region under the rules and regulations set up by the American Daffodil Society. Since it is apart from the convention of the society a special registration fee of \$3.00 per person is charged. Inasmuch as one of the major objectives is to help standardize the procedures for judging daffodils and the interpretation of the scale of points, it will not be an elementary course in the true sense. It is being offered to assist those who have a considerable knowledge of daffodils and preferably some daffodil judging experience.
