Response to last year's price list, our first was excellent. We thank you for your orders and kind words of encouragement. Our daffodils started blooming much earlier than usual this year, thereby extending the season for us, as they continued blooming into late May. The A.D.S. Convention brought many members to Newport Beach to enjoy a lovely weekend of daffodils and friendly conversation. It was good to see those of you who attended. To those who could not attend, we're sorry you missed it.
