## 1986

**W**e are offering, this year, some of the best of the Richardsons introductions that have been scarce until now. All we consider to be top notch show cultivars as well as vigorous growers.

- 2 Y-O Bold Lad** Tall free blooming with smooth show flowers. Good color contrast. \$15.00 each.
- 4 W-O Gay Ruler** Camellia like form, smaller but better than Gay Challenger. Best of Show at Descanso 1980. Best double we have grown. Makes small bulbs, but great blooms. Fragrant. \$20.00 each.
- 2 Y-Y Golden Ranger** Large robust all yellow, cup slightly darker. \$8.00 each.
- 2 Y-WWY Lemon Candy** Another robust grower with large show blooms. \$25.00 each.
- 2 Y-R Red Rum** Deep orange yellow perianth with deep red flaring cup. \$30.00 each.

## OUR NEW INTRODUCTIONS

- 2 W-W Hiyo Silver**  
*(Easter Moon X Castle of Mey) (Mid-Season)*  
Broad overlapping petals of thick substance. Round, slightly flaring cup, with evenly scalloped edge. Petals seldom catch on cup, producing a very high percentage of show flowers. Smooth, classic form. Very few to go. \$50.00 each.
- 2Y-YYR (V)**  
**Nancy Reagan**  
*(Air Marshall Seedling) (Mid-Season)*  
A lovely, graceful Division 2. Medium yellow perianth segments that are slightly reflexed and blunt ended. Rear petals are very wide. Cup is deeper yellow, goblet shaped, neatly serrated with about 1/4 inch of deep orange red (could be a wider band in a different climate). Sun proof here. Named with the approval of the First Lady. See page 25 ADS Journal September 1985. None for sale this year, but any order over \$75.00 will receive a bulb of Nancy Reagan gratis.
- 2 W-O Tishomingo**  
*(Name pending) (B S Duncan) (Late Mid-Season)*  
Sister to Pismo Beach, but performs better here. Smooth with rounded perianth segments. Cup is just one mm from being a Division 3. Opens yellow and turns a lovely apricot orange. Good stem and large flowers. Distinctive. \$30.00 each.
