This is our second offering of specialty daffodils and we have some rare and not often offered varieties such as these two from Dr. Bender: 'Marsden' a Division 9 and 'Sea White' a Division 3 Intermediate. Also at the end of this list are a few Snowdrops (*Galanthus*) and there is a rare double form G. x 'Dyonisus' which is very limited with only three available for sale.

To see pictures of the daffodils offered search **Daffseek** on the American Daffodil Society Web page: www.daffodilusa.org whose web site offers a wealth of information on all things daffodil.

Please place your orders by August 15, 2011. Orders will be filled in order of mailing dates. Our first year had two packages lost in the mail in Pennsylvania so we will automatically add insurance to all orders which is now included in the mailing fee.

We hope you have had a good daffodil season this year and have big plans for next year with the National Show coming to our state in the city of Baltimore!
